

## PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography, filming & live streaming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form or recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for the use in newspapers, magazines and internet sites—this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography, filming or live streaming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of the classes. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting the exhibits. However, if a powerful flash unit is used or it is clear that exhibitors are being affected a ring steward or judge is empowered to stop the person concerned. Cinematography or television equipment may only be used at the show if a permit has been issued by the Organisers.

**JUDGES PROFILE**

Eileen Cameron (Jazzmonta)

Having never been brought up around dogs it wasn't until September 1995 that I was able to realise my dream of owning my first ever dog.

Through a friend at work I was introduced to the Samoyed and this started my love of this wonderful breed. I was so lucky take a lovely bitch from the Vandream Kennel. Although I hadn't even previously been to a dog show I was encouraged to try showing her. This I did with my son handling and on our first experience of Crufts in 1997 took home the Bitch CC.! 'Sasha' – Ch Vandream Imperial Montana went on to gain her title at a young age and we were hooked!

Over the years our Samoyed family grew and I have been lucky enough to have shown and owned a further two champions.

Stan and I eventually went on to apply for our own Affix – Jazzmonta.

Wanting to get further involved in this lovely breed I became a member of the committee of the British Samoyed Club and still serve on there today.

I have judged at open show level including at two premier open shows and I am thrilled to be asked to judge at the SBOL breed open show.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

**SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

**Should you see anything suspicious or of concern**, please alert the Show Secretary, or any of the Committee immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

**Should it be necessary for the hall to be evacuated**, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.  
When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.  
Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
