## **ABOUT OUR JUDGES**

### **Mrs Hazel Fitzgibbon (Smiliesam)**

I am particularly delighted to be judging the SBOL Ch show; I was a founder member of the Club, I have never judged a Breed club show since my Open show, and I will be surrounded by my favourite breed, the one who I owe so much to.

My first judging appointment in Samoyeds was Kent County Limited show in 16/6/1983 and my first CCs in the breed SKC in 1995. To date I have judged over 1500 Samoyeds in 14 countries.

Subsequently, I have gone on to be passed to give CCs in 28 CC breeds plus 5 non CC breeds. I am also passed for the Utility Group. Since my dear husband passed, I have had to back away from showing and breeding so judging has been my lifeline. I have always been keen on good health in the breed and when breeding hip scored, eye tested and DNA tested my dogs, the ones I bred and the ones I imported. I am now the Breed Education Coordinator and always on the lookout for people who want to pursue judging our fabulous breed.

Thank you for bringing your lovely dogs today and helping one of my dreams come true.

### **Special Awards Judge : Mr Ian Pullin (Whitewalker)**

My name is Ian Pullin. I own, work, show and breed Alaskan Malamutes with my partner Kirsty under our kennel affix 'Whitewalker'.

I have owned Alaskan Malamutes for over 12 years. Within my limited time I have gathered a significant amount of experience with the Nordic breeds through working them in their natural environment. Due to my experience I tend to look for overall balance when assessing dogs. Within our small kennel we have multiple show champions in the UK and internationally as well as holding internationally recognised working titles from the Alaskan Malamute Club of America.

I feel honoured and privileged to have been invited to judge at the Samoyed Club Show. The Samoyed is a breed that I truly admire and am looking forward to the appointment.

### **DOGS IN VEHICLES ON HOT DAYS**

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.**

**Soft Crates:** The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside.

We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall, or in an open car in the car park.
